SPECIALTY

ICE MELT

GEL MIST *Powerful Clinging Gel Air Deodorizer*

A 100% environmentally safe long lasting air freshener. Unlike most air freshening products, this one will spray onto a surface and instantly turn into a gel. It will cling to a surface and slowly release fresh vapors into the applied area. It will not evaporate quickly, allowing it to better deodorize any desired environment. Gel Mist is specially formulated to prevent staining of surfaces, while eliminating product waste

RELEASE AGENTS

ECO STRIP *Powerful Graffiti Remover*

A specially formulated graffiti remover that does not contain methanol, methylene chloride or other chlorinated solvents prohibited on many projects. Eco Strip removes a variety of graffiti stains from most painted stone and metal surfaces. This product is great for use on transportation and rail vehicles to remove baked on graffiti. Will remove both solvent and acrylic based paints.
