

Command

High pH Built Linen Detergent

WHAT IS COMMAND?

A high pH, highly alkaline built detergent. Designed to rapidly break down and emulsify the toughest greases and oils. While tough on greases, this formula rinses free from fabrics in order to retard graying commonly found with highly alkali products. This product is perfect for commercial and industrial classifications .

BENEFITS:

- Quickly emulsifies the toughest grease & oils.
- Enhanced with Sodium hydroxide.
- Designed for heavy soils.
- Free rinsing formula retards graying.

PRECAUTIONARY STATEMENTS:

For institutional or commercial use.

DO NOT MIX WITH OTHER CHEMICALS

Before use, read product label and Material Safety Data Sheet.

Add to the suds cycle or in conjunction with alkali builders.

Make sure to use proper protective clothing when applying handling this chemical.
