

With **Odor Guard** Technology

SDS Reference No: 2360

Refresh™ Ready To Spray Powerful Odor Counteractant & Air Freshener

What is Refresh?

A powerful odor eliminator and air freshener that has been formulated to attack the odor problem at the source using our Odor Guard Technology while leaving behind a fresh scent that will continue to work long after it has been applied. This easy to use product can be used almost anywhere including fabrics and hard surfaces. Using all natural and environmentally approved ingredients makes this product safe to use anywhere.

What is Odor Guard Technology & How Does it work?

A special blend of odor encapsulators that find the odor molecules and actually encapsulates and destroys the molecules without the use of harsh chemicals. Once the odor molecules have been encapsulated and destroyed, they have the inability to return.

Benefits:

-  Long Lasting Fresh Scent
-  Encapsulates & Destroys Odors
-  Can be used on Fabric & Surfaces
-  Meets Green Clean Standards
-  Available In Multiple Frgrances
-  Easy Ready To Use Formula

Directions For Use:

Read MSDS and test in a small inconspicuous area. Keep away from children and store in a safe place.

Spray diluted mixture directly from container into desired area or onto the desired surfaces. Spray away from face, skin, and animals.
